We are pleased to announce that we will be attending ISE 2014 in Amsterdam! The dates for the show are February 4th - 6th and we hope to see you there.

If you would like to set up a meeting with us at the show, please submit a support ticket (<http://www.commandfusion.com/support>) and we will be in touch.

If the whispers are true that I hear coming from the hardware R&D team, we might even have something **brand new** to show you!

We will post more info closer to the date of the show, but in the meantime you can register for free entry (<http://www.iseurope.org/>) by using the code in the below invitation.
