Support

Choose from the support options below:

Download User Guides »

User guides and documentation for our products is available from the [Downloads](#) section of our website.

Google Groups »

Post a question to the CommandFusion Google Group, or search through the archives for answers. Please search before asking a question and save us all some time :)

[Visit the CommandFusion Google Group.](#)

Email us »

If you want to contact us in private, please use the contact form. If you don't mind your question being made in public, please post it to our Google Group so that others can also benefit from your request.

[Contact Form.](#)

Skype us »

You can either call or chat with us via Skype.

User name: commandfusion

Call us »

Please note: Phone support is only available during Australian Eastern Standard Time (AEST) business hours, 10am until 6pm, Monday to Friday. To see the current time and date at our office, please visit the [Time & Date website](#).
