# Audiopro Appointed as Distributor Covering The Czech Republic and Slovakia

Posted By Aaron Green - 21 Jul, 2014

CommandFusions push into Europe continues this week with the appointment of Audiopro as the exclusive distributor of CommandFusion hardware in the Czech Republic and Slovakia.

Audiopro has been in business in the Czech market since 2002. The company is an authorized distributor for more than 30 abroad companies with professional AV equipment, special products for Integrated Rescue Services, or multimedia technology for both commercial and home use.

By gradually broadening its activities, which used to concentrate mostly on equipment for recording studios, musicians, DJs etc., the company's portfolio has been enriched with technologies for broadcasting and post-production studios, wide scale of communication and conference systems, including SmartVideo and cloud services.
